

MEADOW VIEW

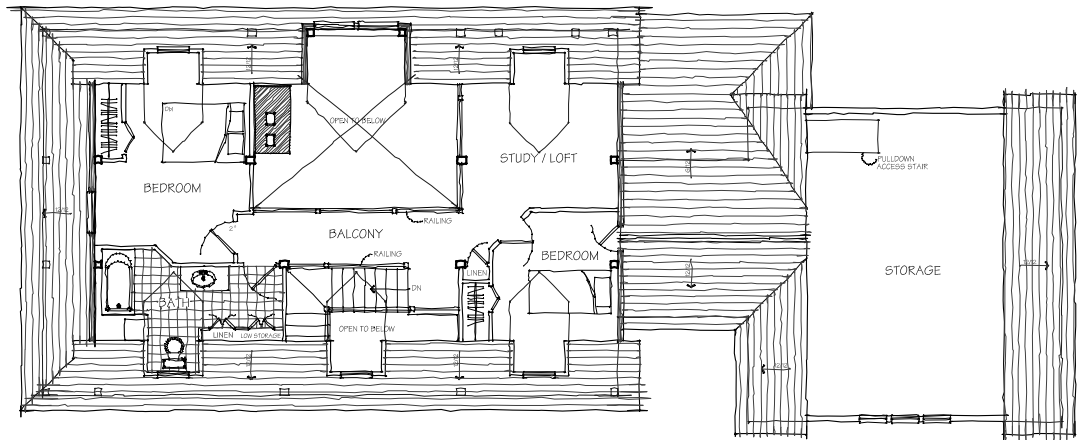

1970 square feet

The Meadow View blends a classic cape inspired design with an attached mudroom and two-car garage. The cathedral living room is open to both the dining room and kitchen areas creating an open, spacious home. The master bedroom suite has two open areas - in the bedroom and over the soaking tub. The open concept continues on the 2nd floor with the balcony and study overlooking the living room. Two bedrooms and full bath round out this open living plan.
